

REMARKS

Claims 1-26 were previously pending in this application.

Claims 1-5 and 21 are allowed.

Claims 6-20 stand rejected.

Claims 22-26 stand objected to.

Claims 6-20 are cancelled.

Claims 1-5 and 21-26 remain in the case.

Applicant requests reconsideration and allowance of the claims in light of the following remarks.

Claim objections

Allowable claim 7 was rewritten in independent form as claim 22 in the previous response we filed on May 13, 2003 and is hereby cancelled. Thus, claim 22 should be in condition for allowance. Claims 23-26 should also be in condition for allowance for their dependencies and their own merits.

Claim Rejections – 35 USC 102

Claims 6, 8-13 and 15-20 are rejected under 35 U.S.C. 102(e) as being anticipated by U.S. Pat. 6,335,279 B2 to Jung et al. ("Jung").

Although the Applicants do not necessarily agree with the Examiner's analysis, to facilitate the allowance of this case, claims 6, 8-13 and 15-20 are hereby cancelled, without prejudice for presentation in a divisional application or continuing application.

Claim Rejections – 35 USC 103

Claim 14 is rejected under 35 U.S.C. 103(a) as being unpatentable over Jung. Claim 14 is hereby cancelled. Thus, the section 103 rejection is now moot.

CONCLUSION

For the foregoing reasons, reconsideration and allowance of claims 1-5 and 21-26 of the application as amended is solicited. The Examiner is encouraged to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.

Respectfully submitted,

MARGER JOHNSON & McCOLLOM, P.C.
